Terms Under Which Artist Receives a Commission

1. For the present IGAS requires all works to be on first quality paper size 16" x 20"; the graphic expression should be at least 9" x 12" but not more than 15" x 19". With regard to color and all other matters of technique and expression, the artist is absolutely free.
2. The artist's fee for his work is \$200. In addition to this fee, IGAS pays the artist all costs involved in making 210 impressions of the work. These costs will be fixed by the Executive Director in consultation with the artist and written into the contract.
3. Before printing the following conditions must be fulfilled:
 - (a) The artist must deliver three trial proofs (proof prints) to the office of the Executive Director, who will in turn submit them to the members of the Jury of Selection.
 - (b) A majority of the Jury must approve the proof prints. This is felt to be necessary not only to maintain a high standard for works sponsored by IGAS but also as a guarantee that all works distributed by IGAS will represent the judgment of its eminent Jury of Selection.
4. When the proof prints have been properly approved, 210 impressions of the work are then made, 200 are the property of IGAS, the remaining 10 belong to the artist. All of these impressions should have the same excellence shown by the first proof prints. IGAS has the right to reject any single print which does not meet the standard set by the first proof which received the Jury's approval. All 210 impressions should be numbered, also the title of the work and artist's signature should be affixed to each impression.
5. All plates, woodblocks etc. used in making the edition become the property of IGAS and are to be delivered to the office of the Executive Director. These will be used in traveling exhibitions and for educational purposes only. In the case of lithographs it is understood that the stones used will be promptly regrained.
