Dear Nemesio

When we met in Paris I mentioned some friends of mine in Barcelona who I am sure would like to meet you. One, in particular, Joaquim Gomis, is a close friend of Miró, Tàpies and all other artists of interest in Barcelona. He is also the President of the new Miró Foundation which it is expected will open in the autumn. When you get to Barcelona do give him a call. His address is Vilana 8, Barcelona, and the telephone number is 247 3488.

The address I am sending this to was given to me by Malitte and I hope it will find you.

It was a great pleasure to see you the other day and I hope we shall meet again soon.

with all good wishes

Yours ever

Roland
