London, W2, England

Dear Nemesio:

Good news at last! The Guggenheim Museum has accepted your painting "Grand Central Station", for their Permanent Collection.

Having some difficulty with our friend Carroll and have had to engage a lawyer to defend our interests from this person.

Will get more details to you, as the situation develops further.

Best wishes to you and your family for the holidays and new year from Harriet and myself,

With sincerity,

Mickey L. Cohen

My best wishes to
you + your family for the
coming year.

I am very happy
about the Guggenheim.

Harriet.
