Dear Mr. Antúnez!

The exposition was opened 20th September - and I can tell you that it is a admirable exposition! I have received all paintings and all lito's - but all was too much so I have only 27 paintings and 15 lito's in the exposition. I have sold 3 paintings and 26 lito's, it is not so bad? You see - it is very difficult to sell paintings in Oslo in this reason - All people tell me that Antúnez' exposition is very interesting and it is much people every day - I am sure that all the younger artists in Oslo have seen it. Please, inclosed some of the articles in the news papers - 4th October is the last day of the exposition - and perhaps I can sell some in the last 5 days - I hope!

How do you think about it?

Very cordially

Per Ron,
