Senor N. Antunez
Chilean Mission to the United Nations
809 U.N. Plaza
New York City

Dear Mr. Antunez:

The Archives of American Art group has returned from the Chilean expedition. Easter Island was fabulous - tent life and all. I do want to thank you for all the help you gave in coordinating our activities in Santiago. Ambassador and Mrs. Sparks gave a dinner party the night we arrived, Senora Vial de Prieto gave a luncheon at her country home on Sunday, the Pico Canas gave a beautiful dinner party, and our own Ambassador a cocktail supper party the night we left. So you see we were well taken care of.

We went to the Patio Gallery one morning where I purchased a painting of yours which I'm delighted with. It may hang in my house in the country, but if not you must come to the apartment to see it. The title is "Hacia La Cordillera".

Thanking you again for your many kindnesses I remain,

Sincerely,

Eloise Spaeth
Mrs. Otto L. Spaeth
