

FIRST FUND RAISING PROJECT

The beautiful poster for the Tribute to Pablo Neruda on the 75th anniversary of his birth has been donated to the CHILE CULTURAL FUND; it is a good reproduction of a painting by NEMESIO ANTUNEZ, which he painted especially for this occasion.

A personal friend of Pablo Neruda, and one of Chile's most distinguished painters, Nemesio Antunez has lived in Europe since 1974. Recently he visited Chile to exhibit his new works in a small art gallery in Santiago. He was received with enormous enthusiasm and queues formed in the street outside the exhibition of people wishing to see his paintings and to welcome Nemesio Antunez back to Chile. 'Hoy' magazine said: 'Although he has lived for many years in voluntary exile, his work remains authentically Chilean'.

The posters cost £1 each, plus 30p. p & p, up to 5 copies.
(You may pay more if you wish, as a donation to the CCF)
