

New York, 23 Nov.65

Dear Paul,

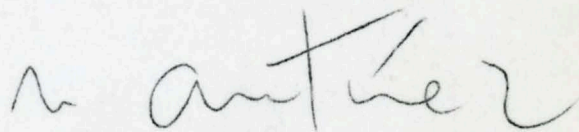

I am writing you because I am worried about your check, I did not get it this month and as you have always send it so I get it around the 10th, I am thinking that it could be lost, I hope not.

If there is any problem please tell me.

I hope your staying in Casanueva is pleasant, you know my brother Jaime is my APODERADO, tutor?

I am planning to bring my son Pablo to NY for his vacations.

Best wishes and thanksgivings
