

## CHILE—"WE WANT PEOPLE TO KNOW THE TRUTH"

Patchwork art of resistance,  
made by women in the shanty-towns of Santiago.

*A childrens' Dining Room. In all Chile's cities and in many rural areas the people have faced the problem of starvation by setting up canteens for undernourished children. Food is given to about 40,000 children who otherwise would have nothing to eat at all. These canteens also provide a focus around which their parents can meet and talk without fear.*
