Dear Nemesio Antunez,

I have herewith the pleasure to send you two copies of "Bevingade lejon", which has just come out of the prints and will be published on the 8th of November. We all find it very beautiful and are very happy for it, and Sun is also most satisfied. At the same time I enclose the dia of your painting "Dormimos en los Andes", which I found we have kept here a bit too long. On the 9th of November there will be a great reception of "Bevingade lejon" with the authors living in Sweden reading a poem each in Spanish, whereafter a well-known Swedish actor will read in in Swedish translation. We hope this event will be a success. Should you need more copies of this book, I hope you will not hesitate to tell me so!

With many kind regards,

Elisabeth Stern
